

Institution	Department	Location	Website	Degree Granted	Program Name	Length	Description
California Polytechnic State University	Food Science and Nutrition Department	San Luis Obispo, CA	http://foods.cpoly.edu	Bachelor of Science (RD didactic option)	Nutrition	4 years	Can concentrate in Applied Nutrition (with option to get RD), Nutrition Science, and Nutrition and Food Industries
California Polytechnic State University	Food Science and Nutrition Department	San Luis Obispo, CA	http://foods.cpoly.edu	Bachelor of Science	Food Science	4 years	Can concentrate in Advanced Food Science, Applied Food Technology, and Culinary.
California Polytechnic State University	Nutrition Department	San Luis Obispo, CA	http://foods.cpoly.edu	Master of Science	Agriculture w/Food Science and Nutrition concentration	2 years*	Can concentrate in Food Science or Nutrition
California State University Long Beach	Department of Family and Consumer Sciences	Long Beach, CA	http://www.csulb.edu	Bachelor of Science (RD didactic option)	Dietetics and Food Administration	4 years	Can concentrate in Nutrition and Dietetics. Possibly can concentrate in Food Science or Hospitality Food Service, but those may be suspended. Didactic RD option.
California State University Long Beach	Department of Family and Consumer Sciences	Long Beach, CA	http://www.csulb.edu	Master of Science	Nutritional Sciences	2 years	4 emphases: Nutrition Science, Latino Health and Nutrition, Food Science, and the Internship Program in Nutrition and Dietetics
Chapman University	School of Business and Economics & School of Earth & Environmental Sciences	Orange, CA	http://www.chapman.edu	Master of Science & Master of Business Administration	Food Science	Joint degree program intended to create qualified food scientists with a management background.	
Chapman University	School of Earth & Environmental Sciences	Orange, CA	http://chapman.edu	Master of Science	Food Science	2 years	Intended for industry food scientists.
Columbia University	Institute of Human Nutrition	New York, NY	http://www.cumc.columbia.edu	Master of Science	MS in Nutrition	2 semesters	Our primary goals for the MS program are to help each student understand the importance of nutrition as a major modality in health prevention, and to develop the students' writing, critical thinking, and public speaking skills to increase their expertise as a nutrition science professional. The program is ideal for a gap year for those planning further graduate education.
Columbia University	Institute of Human Nutrition	New York, NY	http://www.cumc.columbia.edu	Certificate of Professional Achievement in Medical Nutrition	Medical Nutrition Program for Health Professionals	1 year (but can be extended into an MS)	This program is specifically designed for health professionals who want to integrate nutrition into their practice. The program starts with one-year of blended on-line/on-ground coursework, which meets one weekend per month, with additional online components.
Columbia University	Institute of Human Nutrition	New York, NY	http://www.cumc.columbia.edu	Doctor of Philosophy	Nutritional and Metabolic Biology	4-6 years	The objectives of the Doctoral Program in Nutritional and Metabolic Biology are to prepare individuals to conduct original basic research in nutrition and related sciences; to teach in medical universities, colleges, and graduate schools; and to pursue careers in basic and translational research at the national and international level.
Columbia University	Institute of Human Nutrition	New York, NY	http://www.cumc.columbia.edu	Combined MD-PhD Program	Nutrition and Education	7-9 years	The overall purpose of the instruction program is to prepare individuals for positions in teaching, research, and leadership in nutrition programs both in the United States and abroad.
Columbia University	Teachers College	New York, NY	http://www.tc.columbia.edu	Master of Science	Nutrition and Public Health	46 to 47 points	The Nutrition and Education masters degree prepares graduates to work with individuals, groups and communities in many settings, such as health promotion programs, voluntary health agencies, government and international agencies, businesses, hospitals, and private practice.
Columbia University	Teachers College	New York, NY	http://www.tc.columbia.edu	Master of Science	Nutrition and Public Health	46 to 49 points	The Nutrition and Public Health master prepares graduates to take leadership roles in government, community, and public health agencies, carrying out a variety of planning, instructional, and administrative tasks related to health promotion and disease prevention.
Columbia University	Teachers College	New York, NY	http://www.tc.columbia.edu	Master of Science	Nutrition and Public Health	54 to 57 points	The program prepares students to provide individual counseling and group education in nutrition and exercise and to design and implement exercise and nutrition programs in a variety of settings, such as health centers, works sites, fitness centers and with Olympic, professional, collegiate, or high school athletic teams as well as health centers, community centers, and hospitals.
Columbia University	Teachers College	New York, NY	http://www.tc.columbia.edu	Doctor of Education	Community Nutrition Education	60 points	Includes additional coursework in advanced individual counseling and permits stronger emphasis in the behavioral sciences, community assessment and planning, and education. A weight-centred research, or other integrative project is required.
Columbia University	Teachers College	New York, NY	http://www.tc.columbia.edu	Doctor of Philosophy	Behavioral Nutrition	75 points	The program aims to prepare researchers with basic and applied behavioral skills within an educational context.
Columbia University	Teachers College	New York, NY	http://www.tc.columbia.edu	Doctor of Philosophy	Epidemiology, Nutrition and Physical Activity	75 graduate credits	The program aims to prepare researchers with basic and applied behavioral skills within an educational context.
Columbia University	Teachers College	New York, NY	http://www.tc.columbia.edu	Doctor of Education	Nutrition Education	90 graduate credits	The program aims to prepare researchers with basic and applied behavioral skills within an educational context.
Columbia University	Teachers College	New York, NY	http://www.tc.columbia.edu	Doctor of Education	Nutrition and Public Health	90 graduate credits	The program aims to prepare researchers with basic and applied behavioral skills within an educational context.
Cornell University	Division of Nutritional Sciences	Ithaca, NY	http://www.human.cornell.edu	Post-baccalaureate Certificate Program in Health Studies	Post-baccalaureate Certificate Program in Health Studies	2 semesters, 32 credits	The Post-baccalaureate program can improve the chances for admission in health professional schools such as medical, dental, nursing and physical therapy. - See more at: http://www.human.cornell.edu/academic/postbac.cfm#sthash.5Zp9n1K.dpuf
Cornell University	Division of Nutritional Sciences	Ithaca, NY	http://www.human.cornell.edu	Graduate minor in Epidemiology	Epidemiology Minor	Unknown	This minor field offers a graduate program in conjunction with several areas of specialization, including biometry, environmental toxicology, nutrition, sociology, statistics, animal science, and veterinary medicine. Students may pursue an M.S., or a Ph.D. degree with a minor in epidemiology. Graduate students enrolled in the program conduct their research in the departments of their major advisors. Applicants should have a sound background in mathematics and statistics. - See more at: http://www.human.cornell.edu/academic/minor.cfm#sthash.4SR5aVIC.dpuf
Cornell University	Division of Nutritional Sciences	Ithaca, NY	http://www.human.cornell.edu	Bachelor of Science	Nutritional Sciences	4 years	Nutritional Sciences is a broad, problem-solving field that draws upon biology, chemistry, and the social sciences. - See more at: http://www.human.cornell.edu/academic/major.cfm#sthash.4SR5aVIC.dpuf
Cornell University	Division of Nutritional Sciences	Ithaca, NY	http://www.human.cornell.edu	Bachelor of Science	Human Biology and Society	4 years	A broad, multidisciplinary perspective on human health issues. Students are required to develop a strong background in human biology so that they can understand the physiological and biochemical aspects of health issues. - See more at: http://www.human.cornell.edu/academic/undergraduate.cfm#sthash.4SR5aVIC.dpuf
Cornell University	Division of Nutritional Sciences	Ithaca, NY	http://www.human.cornell.edu	Doctor of Philosophy	Molecular Nutrition	4 years	Cornell's graduate program in Molecular Nutrition integrates a range of disciplines including chemistry, biochemistry, biophysics, cell biology, genetics, neurobiology and developmental and reproductive biology to investigate the basic biological processes involving nutrition and its roles in health and disease. - See more at: http://www.human.cornell.edu/academic/molecularnutrition.cfm#sthash.08FZYAM.dpuf
Cornell University	Division of Nutritional Sciences	Ithaca, NY	http://www.human.cornell.edu	Doctor of Philosophy	Human Nutrition	4 years	The graduate program in Human Nutrition is devoted to the study of how variations in nutritional status affect the health and functioning of individuals. - See more at: http://www.human.cornell.edu/academic/humannutrition.cfm#sthash.MA7ehZLN.dpuf
Cornell University	Division of Nutritional Sciences	Ithaca, NY	http://www.human.cornell.edu	Doctor of Philosophy	Community Nutrition	4 years	The Community Nutrition Program at Cornell University educates scholars and community professionals who are dedicated to the promotion of health and prevention of disease in communities and populations. - See more at: http://www.human.cornell.edu/academic/communitynutrition.cfm#sthash.43D7u6t.dpuf
Cornell University	Division of Nutritional Sciences	Ithaca, NY	http://www.human.cornell.edu	Doctor of Philosophy	International Nutrition	4 years	The Program in International Nutrition trains individuals who are dedicated to eliminating hunger, malnutrition, and chronic disease. - See more at: http://www.human.cornell.edu/academic/internationalnutrition.cfm#sthash.6uR9uR.dpuf
Pepperdine University	Natural Science Division	Mattu, CA	http://www.pepperdine.edu	Bachelor of Science (RD didactic option)	Nutritional Science	4 years	
San Diego State University	School of Exercise and Nutritional Sciences	San Diego, CA	http://ens.sdsu.edu	Bachelor of Science (RD didactic option)	Food & Nutrition	4 years	This major is planned for students interested in qualifying professionally for diverse careers in the fields of dietetics, food service management, and food industries.
San Diego State University	School of Exercise and Nutritional Sciences	San Diego, CA	http://ens.sdsu.edu	Master of Science	Nutritional Sciences	2 years	Graduates with the M.S. degree in nutritional sciences are employed as administrators or service providers of community nutrition programs, food service supervisors, and community college educators, as well as, in administrative, research, or quality control positions within industry and government.
San Diego State University	School of Exercise and Nutritional Sciences	San Diego, CA	http://ens.sdsu.edu	Master of Science	Exercise Physiology & Nutritional Sciences	2 years	This is a concurrent dual MS program
San Jose State University	Department of Nutrition, Food Science, and Packaging	San Jose, CA	http://www.nutrition.sjsu.edu	Bachelor of Science	Nutritional Science	4 years	Offers 3 concentrations: Dietetics, Food Science & Technology, and Packaging. Also offers no concentration but choice of 5 emphases: Nutrition Science, Nutrition Education, Sports Nutrition, Food Management, and Environmental Food and Health Specialist
San Jose State University	Department of Nutrition, Food Science, and Packaging	San Jose, CA	http://www.nutrition.sjsu.edu	Minor	Nutrition and Food Science		
San Jose State University	Department of Nutrition, Food Science, and Packaging	San Jose, CA	http://www.nutrition.sjsu.edu	Minor	Nutrition for Physical Performance		
San Jose State University	Department of Nutrition, Food Science, and Packaging	San Jose, CA	http://www.nutrition.sjsu.edu	Minor	Food Science		
San Jose State University	Department of Nutrition, Food Science, and Packaging	San Jose, CA	http://www.nutrition.sjsu.edu	Minor	Packaging		
San Jose State University	Department of Nutrition, Food Science, and Packaging	San Jose, CA	http://www.nutrition.sjsu.edu	Master of Science (RD didactic option)	Nutritional Science	2 years	
The Ohio State University	Department of Food Science and Technology	Columbus, OH	http://fst.osu.edu	Bachelor of Science	Food Science	4 years	
The Ohio State University	Department of Food Science and Technology	Columbus, OH	http://fst.osu.edu	Bachelor of Science	Food Business Management	4 years	
The Ohio State University	Department of Food Science and Technology	Columbus, OH	http://fst.osu.edu	Bachelor of Science	Culinary Science	4 years	
The Ohio State University	Department of Food Science and Technology	Columbus, OH	http://fst.osu.edu	Master of Science or Doctor of Philosophy	Food Science	2+ years	Students may study food chemistry, food safety and microbiology, sensory science, functional foods for health, food safety engineering, advanced food processing technologies and food packaging.
The Ohio State University	Department of Food Science and Technology	Columbus, OH	http://fst.osu.edu	Doctor of Philosophy	Nutrition	4+ years	Relatively new interdisciplinary program among colleges at OSU
The Ohio State University	Department of Human Sciences	Columbus, OH	http://hhs.osu.edu	Bachelor of Science	Human Nutrition	4 years	Specializations in Dietetics, Nutrition in Industry, and Nutrition Sciences
The Ohio State University	Department of Human Sciences	Columbus, OH	http://hhs.osu.edu	Master of Science	Human Nutrition	2 years	
UC Berkeley	Department of Nutritional Science and Toxicology	Berkeley, CA	http://nutr.berkeley.edu	Bachelor of Science	Nutritional Science: Physiology & Metabolism	4 years	
UC Berkeley	Department of Nutritional Science and Toxicology	Berkeley, CA	http://nutr.berkeley.edu	Bachelor of Science	Nutritional Science: Dietetics	4 years	
UC Berkeley	Department of Nutritional Science and Toxicology	Berkeley, CA	http://nutr.berkeley.edu	Bachelor of Science	Molecular Toxicology	4 years	
UC Berkeley	Department of Nutritional Science and Toxicology	Berkeley, CA	http://nutr.berkeley.edu	Master of Science or Doctor of Philosophy	Metabolic Biology	2+ years	
UC Berkeley	Department of Nutritional Science and Toxicology	Berkeley, CA	http://nutr.berkeley.edu	Doctor of Philosophy	Molecular Toxicology	4+ years	
UC Berkeley	School of Public Health	Berkeley, CA	http://sph.berkeley.edu	Master of Public Health	Public Health	2 years	Area of concentration is Public Health Nutrition
UC Davis	Department of Nutrition	Davis, CA	http://nutrition.ucdavis.edu	Bachelor of Science	Clinical Nutrition	4 years	incorporates the same basic core of nutrition classes as the Nutrition Science major, but includes additional courses such as food service management, education, sociology, and communication skills to prepare for work with the public.
UC Davis	Department of Nutrition	Davis, CA	http://nutrition.ucdavis.edu	Bachelor of Science	Nutrition Science	4 years	encompasses all aspects of the consumption and utilization of food and its constituents. Key areas of study include the biochemical reactions important to utilization of nutrients and food constituents, the impact of diet on health and disease, and nutrition-related policy and public health issues. The nutrition science major includes two options for studying these areas: Nutritional Biology and Nutrition in Public Health.
UC Davis	Department of Nutrition	Davis, CA	http://nutrition.ucdavis.edu	Minor in Community Nutrition	Minor in Community Nutrition	18-24 units	The Department of Nutrition also offers four minor programs to students in other disciplines who wish to complement their study program with a concentration in the area of food and nutrition.
UC Davis	Department of Nutrition	Davis, CA	http://nutrition.ucdavis.edu	Minor in Nutrition Science	Minor in Nutrition Science	18-24 units	The Department of Nutrition also offers four minor programs to students in other disciplines who wish to complement their study program with a concentration in the area of food and nutrition.
UC Davis	Department of Nutrition	Davis, CA	http://nutrition.ucdavis.edu	Minor in Food Service Management	Minor in Food Service Management	18-24 units	The Department of Nutrition also offers four minor programs to students in other disciplines who wish to complement their study program with a concentration in the area of food and nutrition.
UC Davis	Department of Nutrition	Davis, CA	http://nutrition.ucdavis.edu	Minor in Nutrition and Food	Minor in Nutrition and Food	18-24 units	The Department of Nutrition also offers four minor programs to students in other disciplines who wish to complement their study program with a concentration in the area of food and nutrition.
UC Davis	Graduate Group in Nutritional Biology	Davis, CA	http://grgb.ucdavis.edu	Master of Science	Nutritional Biology	30-36 units	A student may pursue the M.S. or Ph.D. degree in nutritional biology while studying under the direction of any member of the graduate group.
UC Davis	Graduate Group in Nutritional Biology	Davis, CA	http://grgb.ucdavis.edu	Doctor of Philosophy	Nutritional Biology	30-36 units	A student may pursue the M.S. or Ph.D. degree in nutritional biology while studying under the direction of any member of the graduate group.
UC Davis	Center for Nutrition in Schools	Davis, CA	http://cns.ucdavis.edu	Certificates	Food Science and Technology	1 or 2 days	CNS recognizes the importance of providing teachers, child nutrition professionals, and other school employees with the opportunity to attend training sessions on a variety of nutrition-related topics.
UC Davis	Department of Food Science and Technology	Davis, CA	http://foodscience.ucdavis.edu	Bachelor of Science	Food Science and Technology	4 years	7 options* available: Food Technology, Food Business Management, Food Chemistry, Food Biology/Microbiology, Brewing Science, Consumer Food Science, Food Biotechnology
UC Davis	Department of Food Science and Technology	Davis, CA	http://foodscience.ucdavis.edu	Master of Science or Doctor of Philosophy	Food Science	2+ years	
UC Davis	Agricultural Sustainability Institute College of Agriculture and Life Sciences	Davis, CA	http://asl.ucdavis.edu	Bachelor of Science	Sustainable Agriculture and Food Systems	4 years	Launched this major in 2011.
University of Idaho	Agricultural and Life Sciences	Moscow, ID	http://www.uidaho.edu	Bachelor of Science	Food Science	4 years	Cooperative program with Washington State University
